North Gosford NSW 2250

Dear Mr Partington

I refer to your letters dated 10 July 2010 and 15 July 2010 respectively, addressed to the Chief Justice. In your letters, you raise issues concerning proceedings in your matter before the Court.

I advise it would not be appropriate for the Chief Justice to interfere with, influence or comment on any aspect of any proceedings before the Court upon a letter from one party, as natural justice would not be served. Accordingly, your letter has been referred to me for a response.

I note that the Registry Manager, Jamie Crew, has addressed the issues you have raised in a reply to you dated 13 July 2010. I am satisfied that these issues have now been fully addressed and the court will not respond further on these matters.

I will take this opportunity to advise you that if a party wishes to contest the outcome of a judicial matter, they may make application for appeal by filing another action in the appropriate Registry. Please be aware that time limits apply to lodging an application for appeal or review. If the time limit has expired, you may lodge an application for extension of the time limit.

Yours sincerely
