
Attention: Lawful Notice to all Staff at James Nash House

140 Hilltop Drive - OAKDEN SA 5086 – Australia - Phone:08 8266 9600 - Fax:08 8266 9601

I, Peter-Andrew: Nolan© (aka Joschua-Brandon: Boehm©) am issuing this Lawful Notice under the jurisdiction of my own sovereignty as the grantor of original jurisdiction, the jurisdiction of Natural Law being the law of the creator to which we are all subject, and the jurisdiction of common law, being the law of agreement of the people who live on a particular area of land.

This Lawful Notice is issued under the following maxims of law:

1. All men (and women who claimed equality) are equal before the law.
2. Ignorance of the law is no excuse.
3. All men (and women who claimed equality) are responsible for their own actions.
4. Justice be done though the heavens may fall.

I Lawfully Notice you of the following:

1. The Default Judgment for the Strawman Recapture Process for Darrell of the Foote Family has been signed and stamped on August 12th 2013.

The Default Judgment came into effect at the time of signing. The Default Judgment has standing in Law because Kevin Rudd, Quentin Bryce, and Mark Dreyfus were not willing to respond to the claim of right of Darrell of the Foote Family. They agreed to his claim of right by default.

2. The position at law of Darrell Foote is now that he has NEVER been subject to any legislation of the Commonwealth of Australia because any presumed consent to being subject to such legislation was obtained by deceit and fraud. This means that NO LEGISLATION of the State of South Australia applies to Darrell of the Family Foote.
3. The position of ALL STAFF at James Nash House now is that, as you were warned, you are criminals who are committing the crime of unlawful incarceration. The fact that when I call you you are too afraid to provide your names means that you know you are criminals and you know you are committing crimes.

If you had nothing to fear, if you knew you were acting in the right, if you knew you were acting lawfully? You would not be so gutless and afraid as to refuse to give your names to me, Darrells re-presentative at law.

4. ALL MEMBERS OF STAFF and ALL CONTRACTORS SERVING JAMES NASH HOUSE will be prosecuted to the FULL EXTENT OF THE LAW.
5. Should the members of staff continue to refuse to place my calls though to my client I will be left with no alternative than to claim into existence a STATE OF WAR and name you as legitimate enemy combatants against whom ACTS OF WAR are lawful. I recommend you people make up your minds if you are willing to put your words in writing rather than gutlessly and cowardly hide behind a telephone taken off the hook. Is THIS what you call good use of hard earned taxpayer money?

Ladies and Gentlemen. You are all in a great deal of trouble. Each of you will be prosecuted to the FULL EXTENT OF THE LAW. Period. You are about to lose your houses, your livelihood, your pensions and your careers. You were warned.
